

Hi Liam,

I'm [[redacted]] on Lowendtalk,. I currently run my own company and currently have my servers in Atlanta, but i really would like to expand my company into more locations.

## **## About You**

b1) As i would like to add a new location to my business. b2) 3 Years on web hosting/server management and 2 years of running a business. b3) I used to own a company called [[redacted]] But was sold for \$xxx b4) Nope

## **## About Your Vision**

c1) To provide budget KVM Hosting c2) Cheap prices with good support. c3) I'm very at at pro-active abuse (Preventing abuse before it happens) c4) To always be positive and believe your a good company. c5) I current have in 1 location but don't have enough funds to open another location.

## **## Building Your Vision**

d1) The upper low end market (e.g. \$7/month and not \$3/month) d2) I'm very active on web hosting forums. d3) Very

## **## Your Capabilities To Serve Your Vision?**

e1) I'm currently taking Higher Networking/Programming in my school, only 4 people are in this class. e2) I'm very good at finding the root cause. e3) 24/7 - I have internet available all the time, and have 2 mobile phones on different networks to ensure availability. e4) Same as above.

## **## Plans and Projections**

1) KVM f2) 4 f3) Please visit [[redacted]] - Note i would sell

at %50 of the price listed f4) 30 clients f5) 60 clients f6) 200 clients f7) 500 clients

## **## Margins & Profits**

After the 6 months has passed your lease on the server will be \$150/Month, an additional \$16/Month for WHMCS and then an approximate of \$10/Month depending on your Virtualisation Panel choice. Lets give you a buffer and associate your total monthly cost for the operation at

\$180. g1) %74 g2) 20 - 40 g3) \$10/month g4) \$10/month

## **PS: Thanks for entering!**

h1) Thanks very much for considering me Liam, i look forward to your reply if i win or not.
